## AWARDS & ACCOLADES

2025 ~ 91 Points. "From a mix of south- and east-facing vineyards at 300–450 metres, the Kaltern Classic is grown over clay mixed with limestone gravel, giving it richness on a bony infrastructure. It is fermented and aged on fine lees in stainless steel, yielding a bright yellow colour with tropical, juicy pineapple and banana flavours and a silky, creamy texture that runs through its stony finish. Love the quality here. A warm afternoon patio with appetizers is a good match, but it also has the stamina to work at the dinner table." - Anthony Gismondi - Gismondi on Wine, Oct/2026
