### AWARDS & ACCOLADES

2021 ~ 90 Points. "The 2021 Primitivo di Manduria lifts from the glass with sweet spice, violet pastille and crushed blueberries. A twang of citrus offsets ripe wild berry fruits on the juicy and soft-textured palate. It leaves a gentle tension and a resonance of tart blackberry on the fresh finish." - Vinous, Feb/2025

### OTHER INFO

The Tommasi passion for wine and their desire to discover and select the very best in Italian winemaking have taken them to Puglia where you'll find the Masseria Surani estate. The Tommasi family purchased 80 hectares of land in the Salento area, one of the finest regions for the cultivation of the Primitivo grape. Here, viticulture has extremely ancient origins, dating back to the time of Magna Graecia. The property, which lies about 6 km from the Ionian coast, also includes a manor house called 'Masseria' dating back to the early 1900s. A typical complex of agricultural buildings, which originally acted as an organizational centre for all of the farming operations. The renovated Masseria now houses a winery of 700 sqm; complete with winemaking and cellaring facilities.
