### OTHER INFO

The IL SESTANTE family vineyard, "I Pianeti" which is perfectly situated in the most prestigious hills of the region, produces what may be the best grapes for the production of "Valpolicella Classico Superiore". IL SESTANTE "Ripasso" is the unique result of refermenting a Valpolicella Classico Superiore on the warm grape skins from which Tommasi Amarone has been fermented. This process, used only in rare vintage years, imparts the richness of character and personality of a great wine to an already superior wine.
