AWARDS & ACCOLADES

2022 ~ 96 Points. BEST MAULE - Descorchados, 2025

2022 ~ 95 Points. GOLD "Aromatic blackberry, violet petals and pink peppercorn notes provide interest and intrigue with a mouth-watering juiciness driving through the palate. Soothing, smooth and reassuringly long." - Decanter World Wine Awards 2025

2022 ~ 95 Points. "The 2022 Red Field Blend is a mix of Malbec, Carignan, Cabernet Sauvignon, Cinsault and País from Coronel del Maule. This aged in used 500-liter barrels. It is distinctive on the nose, with complex plum, violet, lavender, wild herb, cherry and elderberry aromas. Juicy and somewhat Bordeaux-like in profile, the finish is aromatic and savory, with herbal notes defining the aftertaste. Its eccentric personality is its charm. A lingering note of loose-leaf tea appears with time." - Joaquín Hidalgo - Antonio Galloni's Vinous, Jun/2025

2022 ~ 94 Points. No. 74, JAMES SUCKLING'S TOP 100 WINES OF CHILE 2024 "Really fresh and solid fruit full of dark cherries, blue plums and blueberries with a splash of white pepper and hibiscus. Succulent and full-bodied on the palate with a mouthful of fresh, powdery tannins. Concentrated flavors without adding up the heft. Lengthy with subtle sweet spices at the end. A blend of malbec, carignan, cabernet sauvignon, cinsault and pais. Drinkable now, but better in a year or two." - James Suckling, Mar/2024

2022 ~ 94 Points. "Such depth and profundity on the nose, with notes of violet and spice. The palate is so rich and ripe, and has such lovely tannins. Dark fruits with violet and minty notes come through, along with balsamic spice and leather, leading to a long and textured finish. A serious wine that needs time to express itself." - Alistair Cooper MW, Cata d'Or Wine Guide 2024

2022 ~ 93 Points. - Club de Amantes del Vino Guía Mesa de Cata, 2025

OTHER INFO

Undurraga owns approximately 1,350 hectares of vineyards spread over Chile's best wine producing areas. Their estates are exclusively dedicated to the cultivation and production of the finest wine grapes. The company's vineyards are located in the Maipo Valley (Santa Ana de Talagante Estate & Codigua Estate), Colchagua Valley (Colchagua Estate), Almahue Valley in Cachapoal (Cerro de Almadue Estate). Each of these locations has been carefully selected by their viticulture teams based on their suitability for specific varieties. Their unique qualities are studied using precision farming techniques.
